BIOGRAPHY

Aaron The Era was born and raised in San Jose as a DJ. With deep family roots in the scene, his 16 years of past experience runs deeper than the surface actually shows. After finding a home in the house music scene, Aaron quickly realized that the limitations of the genre kept him from expanding his musical performances and soon adopted the Open Format style of mixing classic popular music with dancefloor-focused party anthems.

When you want to get the party jumping, Aaron The Era is your DJ. His ability to mix genres from EDM to Hip Hop to Rock keeps his unique style at the forefront of the music scene, and has firmly established him as one of the Bay Area's most diverse DJs.
